Wayne and his team serviced our chimney in South Baltimore. He and his crew were very clean and honest with their inspection. They were able to convert our traditional fireplace to a Regency gas fireplace.

Once everything was installed, Wayne followed up to make sure we were pleased with the service and product. A few months later I got a call that the blower came in and they were going to come back out and install it. That was a pleasant surprise.

I would certainly recommend McDowell's to anyone in the Baltimore area.
